

Introduction

Bucks UTC is a 14 – 19 educational provision specialising in Construction and Computing, providing an excellent opportunity to take a highly regarded, technically oriented course of study at a specialist college equipped to the highest standards.

The UTC strategic plan 2013-17 clearly outlines the strategic objectives of demonstrating an outstanding commitment to inclusion through its vision and values.

Whilst most of Buckinghamshire is affluent, small areas of deprivation do exist with three areas in Aylesbury falling within the most deprived areas of England. The county's selective educational system promotes strong academic achievement through schools into university. Beyond this, however, are some under performing schools and while all have sixth forms many are small, narrowing the experience and offering limited access to excellent practical and technical education. Students lack choice and access to alternative technically focused routes which stretch, motivate and stimulate ambition while maintaining flexibility and creating work readiness.

Bucks UTC provides a vital opportunity to provide parity of esteem for young people to feel that the choice of pursuing a more practical and technical route in their education is just as valued by society as those choosing a more academic route.

Equality Statement

Bucks UTC is committed to the promotion of equality of opportunity and places great value on the diversity of its community. The provision of equality of opportunity and respect for the needs and rights of the individual are fundamental to the stated mission and values of the UTC and in accordance with the Equality Act 2010, including the 'Public Sector Equality Duty' or 'General Duty' to:

- Eliminate unlawful discrimination, harassment or victimisation
- Advance Equality of opportunity between different groups
- Foster good relations between different groups

With two 'specific duties' to:

1. Publish information to show compliance with the Equality Duty
2. Publish Equality objectives at least every 4 years which are specific and measurable

Compliance with general and specific legal duties

Bucks UTC fulfils its general and specific duties in relation to equality of opportunity and actively demonstrates due regard to the need to eliminate discrimination, advance equality of opportunity, and foster good relations between different people when carrying out their activities, in all strands as identified in the Equality Act 2010, these being:

- Age
- Disability
- Gender reassignment
- Pregnancy and maternity
- Race – this includes ethnic or national origins, colour or nationality
- Religion or belief – this includes lack of belief
- Sex
- Sexual orientation
- Marital status/civil partnerships
- Socio-economic Disadvantage

Bucks UTC will treat all employees, students and other members of the UTC community with respect and dignity, and seek to provide a safe and positive working and learning environment, free from discrimination, harassment or victimisation

Bucks UTC recognises that passive support for Equality and Diversity is not enough. Inequalities created by direct or indirect discrimination, less favourable treatment, stereotyping and other inequalities affect everyone and challenging them must be the responsibility of all.

Equality Objectives
