**Safeguarding Children and Young People
Policy**

2017/18

Responsible Officer:	Principal
Date:	August 2017
Review date:	August 2018 (unless preceded by legislation)
Procedure available:	Website/Reception/Learning Centre
Authorised by:	Governing Body

SAFEGUARDING CHILDREN AND YOUNG PEOPLE POLICY

Purpose:

This policy deals with the protection of all children and young people at Bucks UTC and is written and carried out with due regard for the DfE guidance *Working together to safeguard children* and *Keeping children safe in education*. We fully recognise our responsibilities for child protection. Our policy applies to all staff, governors and volunteers working in the UTC.

Scope:

Children and young people are defined as those under the age of 18 years. This is not restricted to students undertaking qualifications but will also include students on any type of course or work placements and children and young people partaking in other UTC activities.

Definition:

Safeguarding and promoting the welfare of young people for the purpose of this policy is defined as: protecting children and young people from maltreatment; preventing the impairment of children and young people's health or development; ensuring that children and young people can grow up in circumstances consistent with the provision of safe and affective care; and taking action to enable all children and young people to have the best outcomes.

Statement of Policy

- Bucks UTC holds as one of its highest priorities the health, safety and welfare of all children and young people involved in courses or activities which come under the responsibility of the UTC
- Bucks UTC will have a child protection (safeguarding) policy and procedures in place, which is made available to parents, students and staff
- Bucks UTC will operate safe recruitment procedures and make sure appropriate checks are carried out on staff and volunteers who work with children and young people
- Bucks UTC will have procedures in place for dealing with allegations of abuse against members of staff and volunteers
- Bucks UTC will provide a senior member of staff designated to take lead responsibility for dealing with child protection issues, providing advice and support to staff, and liaising with agencies
- Bucks UTC will provide annual training and regular updates to ensure all staff are aware of the arrangements for child protection and their responsibilities
- In line with the DfE guidance *'Keeping Children Safe in Education' September 2016* all teachers, including headteachers will safeguard children's wellbeing and maintain public trust in the teaching profession as part of their professional duties.
- Bucks UTC will undertake an annual review of its policies and procedures relating to safeguarding children and young people.

The content of this policy and the effectiveness of its implementation will be reviewed each year by the Governing Body.

The role of the Governing Body

The Governing Body must ensure the UTC complies with the safeguarding duties under legislation, this includes having a robust Child Protection (Safeguarding) Policy, reviewing the policy and procedures and training annually, monitoring and evaluating the effectiveness and being satisfied that the statutory duties are being complied with. The Governing Body must ensure that a Designated Lead for safeguarding (senior level) together with a Nominated Governor for Child Protection (Safeguarding) are in place.

The responsibility of governing body as outlined in the statutory guidance 'Keeping Children Safe in Education' September 2016, page 14, legislation and the law states:

Governing bodies must ensure that they comply with their duties under legislation. They must have regard to this guidance to ensure that the policies, procedures and training in their schools or colleges are effective and comply with the law at all times.

*Schools and colleges should have a senior board level (or equivalent) lead to take **leadership** responsibility for the organisation's safeguarding arrangements.*

Safeguarding policies

Governing bodies and proprietors should ensure there are appropriate policies and procedures in place in order for appropriate action to be taken in a timely manner to safeguard and promote children's welfare.

This should include:

- *an effective child protection policy*
- *a staff behaviour policy (sometimes called the code of conduct) which should amongst other things include - acceptable use of technologies, staff/pupil relationships and communications including the use of social media*

The Governing Body must:

- recognise the importance of the role of the designated lead and support them, ensuring the training necessary to be effective is undertaken
- ensure cover is provided when needed and appreciate the additional duties taken on by the member of staff when carrying out this role especially when there are on-going child protection issues
- recognise the contribution the UTC can make to helping students keep safe through the teaching of self-protection skills and encouragement of responsible attitudes to adult life through the Personal, Social and Health Education/Citizenship curriculum
- prioritise the welfare of children and young people, creating a culture where staff are confident to challenge senior leaders over any safeguarding concerns
- adhere to statutory responsibilities to check staff who work with children and young people
- ensure that there are safe and effective recruitment policies and disciplinary procedures in place, which adhere to the Keeping children safe in education guidance published by the DfE September 2016 and legislation referred to therein
- receive and review the annual Safeguarding Report and ensure it is shared with the Local Authority

It will be the duty of the Chair of Governors to liaise with relevant agencies if any allegations are made against the Principal.

The role of the Nominated Governor

The Nominated Governor for safeguarding and child protection will need to be familiar with local BSCB (Buckinghamshire Safeguarding Children's Board) procedures, LA procedures and guidance issued by the Department for Education. The nominated Governor will:

- work with the Designated Safeguarding Lead responsible for child protection to produce the child protection policy
- undertake the training available for Nominated Governors.
- ensure that safeguarding and child protection is a regular agenda item for discussion and action with the Governing Body and that the policies and procedures are updated in line with legislation.

The role of the Designated Safeguarding Lead

The Governing Body should ensure that the UTC designates an appropriate senior member of staff to take lead responsibility for child protection. This person should have the status and authority within the UTC to carry out the duties of the post including committing resources and, where appropriate, supporting and directing other staff. All members of staff should be aware of this role including who the designated lead is and what their role encompasses. This should be explicit the role holders job description.

The broad areas of responsibility for the designated safeguarding lead are detailed below and full guidance can be seen in Appendix B of the Keeping Children Safe in Education statutory guidance at: https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/526153/Keeping_children_safe_in_education_guidance_from_5_September_2016.pdf

Managing referrals

- Refer all cases of suspected abuse to the local authority children's social care as required including to the local authority designated officer (LADO) for child protection concerns (all cases which concern a staff member);
- Support staff who make referrals to the local authority children's social care;
- Refer cases to the Channel programme where there is radicalisation concern as required;
- Support staff who make referrals to the Channel programme;
- Refer cases where a person is dismissed or left due to risk/harm to a child to the Disclosure and Barring Service as required; and
- Refer cases where a crime may have been committed to the Police as required.
- Liaise with the Principal to inform them of issues especially ongoing enquiries under section 47 of the Children Act 1989 and police investigations
- Act as a source of support, advice and expertise to staff on matters of safety and safeguarding and when deciding whether to make a referral by liaising with relevant agencies

Training

The designated safeguarding lead should receive appropriate formal training carried out every two years and regular refresher training at least annually in order to:

- Understand the assessment process for providing early help and intervention, for example through locally agreed common and shared assessment processes such as early help assessments
- Have a working knowledge of how local authorities conduct a child protection case conference and a child protection review conference and be able to attend and contribute to these effectively when required to do so
- Ensure each member of staff has access to and understands the UTCs child protection policy and procedures, especially new and part time staff
- Be alert to the specific needs of children in need, those with special educational needs and young carers
- Be able to keep detailed, accurate, secure written records of concerns and referrals
- Understand and support the UTC with regards to the requirements of the Prevent duty and are able to provide advice and support to staff on protecting children from the risk of radicalisation
- Obtain access to resources and attend any relevant or refresher training courses
- Encourage a culture of listening to children and young people, taking account of their wishes and feelings, among all staff, in any measures the UTC may put in place to protect them

Raising Awareness

The designated safeguarding lead should ensure the UTCs policies are known and used appropriately:

- Ensure the UTCs child protection policy is reviewed annually (unless preceded by legislation) and the procedures and implementation are updated and reviewed regularly, and work with Governing Body regarding this
- Ensure the child protection policy is available publicly and parents are aware of the fact that referrals about suspected abuse or neglect may be made and the role of the UTC in this
- Link with the BSCB to make sure staff are aware of training opportunities and the latest local policies on safeguarding
- Where children and young people leave the UTC ensure their child protection file is copied for any new school or college as soon as possible but transferred separately from the main student file

Availability

During term time the designated safeguarding lead (or the deputy) should always be available (during UTC hours) for staff in the UTC to discuss any safeguarding concerns. Whilst generally speaking the designated safeguarding lead (or the deputy) would be expected to be available in person, it is matter for the UTC, working with designated safeguarding lead to define what 'available' means and whether in exceptional circumstances availability by phone or online mediums is acceptable.

The DfE has clear guidelines on what schools, Governing Bodies and LAs should do if they suspect that a child has been abused or assaulted. It is not, however, the responsibility of teachers and other staff in schools to investigate suspected abuse. They should not take action beyond that agreed in the procedures established by the BSCB (Buckinghamshire Safeguarding Children's Board).

The Designated Safeguarding Lead is responsible for referring cases of suspected abuse or allegations to the relevant investigating agencies according to the procedures established by their local safeguarding children's board and LA. They must also be able to deal with allegations made against members of staff, other than the Principal.

If the Designated Safeguarding Lead/Deputy Designated Safeguarding Lead is absent, all safeguarding concerns must go directly to the Principal.

Checklist:**Impact on Students/Staff:**

Provides a safe learning/working environment for all students and staff

Impact on Diversity:

The basic requirement that children are kept safe is universal and cuts across cultural boundaries. Every child living in this country is entitled to be given the protection of the law regardless of his/her background (16.10 Victoria Climbié Inquiry)

Impact on Health & Safety:

Fundamental to health, safety, wellbeing and a safe learning environment

Impact on Data Protection/Freedom of Information:

The UTC complies with the requirements of the Data Protection Act, which allows for disclosure of personal data where this is necessary to protect the vital interests of a child

Communication/Consultation Plan:

The policy, procedures and guidelines will be communicated to staff through professional development sessions and made accessible on the UTC VLE and the website

Students and parents will be made aware of this policy through the Student and Parent Handbooks, tutorial, Student Council and the VLE/website

Process of review:

This policy will be reviewed annually or with legislative changes and guidance and approved by the Governing Body

Process of review of effectiveness:

The Governing Body is accountable for ensuring the UTC has effective policies and procedures in place and monitoring the UTC's compliance with them. The Vice Principal: Curriculum and Quality will produce an annual report reviewing how duties relating to safeguarding have been discharged

Legal authority (not exhaustive):
