Student Disciplinary Procedure

2017-18

Responsible Officer: Principal
Date: September 2017
Review Date: July 2018
Procedure Available: Website/VLE
Authorised by: Governing Body

Introduction

The Student Disciplinary Procedure aims to ensure that all students are able to study and achieve success, free from interruption, and encourage positive behaviour and responsibility for learning.

This procedure provides a framework for the boundaries of acceptable and unacceptable behaviour, the hierarchy of rewards and sanctions which can be seen in the student guide and how they are fairly and consistently applied as outlined in the School Behaviour Policy. This is written with due regard to the Department for Education guide on exclusion which can be found at:

https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/641418/20170831_Exclusion_Stat_guidance_Web_version.pdf

This procedure applies to all students on all programmes at Bucks UTC.

All our students are entitled to:

- High quality training and education that meets their needs and enables them to enjoy their learning; be safe and healthy and make a positive contribution to the UTC and the wider community
- Learn in an environment that is conducive to learning and free from interruption and disruption
- Learn in an environment free from bullying, ridicule or discrimination
- Have their voices heard, to be listened to and to know where to go to share their concerns

Our students have an individual and collective responsibility to:

- Come to the UTC to learn, be fully prepared and work to the best of their ability
- Be punctual to all learning sessions and activities including work experience and employment forming part of an apprenticeship
- Achieve 100% attendance
- Show through their behaviour and their language, respect and consideration for all staff, other students and visitors
- Complete and hand work in that meets the requirements of the course and on time
- Take proper care of the UTC environment including equipment and books
- Never use technology as an instrument for bullying or harassment directed against students and staff
- Always wear and be able to produce a valid UTC ID badge
- Work safely and ensure that their behaviour does not compromise the safety of others

Teachers have the responsibility to:

- Respect and value the students they teach
- Be committed and have high expectations and standards of students' learning
- Provide stimulating lessons where students are actively involved
- Encourage good behaviour and respect for others
- Prevent all forms of bullying amongst students
- Keep their students safe
- Seek support, advice and training about how to promote positive behaviour
- Keep students and parents (where appropriate) informed of their progress
- Work as part of a team with other teachers and support staff
- Understand and adhere to the UTC Student Disciplinary Procedures when appropriate

Implementation of the Procedure

The Procedure is divided into 3 sections:

- 1) Procedures for dealing with student disciplinary under student participation and academic progress
- 2) Procedures for dealing with student disciplinary under student misconduct
- 3) Procedures for dealing with student disciplinary under serious and single acts of student misconduct

It is vital that at all stages of the disciplinary process that accurate records are maintained and that the standard student disciplinary letter templates are used.

For any type of exclusion, this procedure **must be** implemented in conjunction with and with due regard to the Department for Education guide on exclusion which can be found at <https://www.gov.uk/school-discipline-exclusions>

The Bucks UTC Exclusions and Reintegration Officer from Bucks County Council is:

Section 1: Procedures for dealing with student disciplinary under student participation and academic progress

This procedure should only be used once all normal classroom management measures have been exhausted:

1.1 Informal Stage – Strike 1, 2, 3 Informal Warnings

A student whose attendance, punctuality or progress fails to meet the required standard will be reported to his/her course tutor who will discuss and agree with him/her how the problem will be resolved.

At this point the student will be reminded of the disciplinary procedure and issued with a 'Strike 1' informal verbal warning and set targets and deadlines for improvement. These deadlines should be short (no longer than two weeks) and followed up by the course tutor. The student then has two further opportunities to improve their behaviour (strike 2, 3) before continuing to the formal disciplinary procedures. A student that reaches strike 3 should be informed that they will now be placed on formal disciplinary procedures. Parents and employers should be involved at the appropriate stage. The student should be referred to the 'At Risk' tutor for monitoring

Notes for strikes will be recorded centrally. These will be valid for the academic year in which they are issued

1.2 Formal Stage 1 - Verbal Warning

If following the informal verbal warnings (strike 1,2,3) a student continues to fail to meet the required standard a formal verbal warning will be issued by the course tutor with time-specified targets for improvement (timescale to be no more than 2 weeks).

At this stage the student must be informed of the consequences for non-improvement. The student's parents/carers, and/or employers (where applicable) will be informed in writing that a formal verbal warning has been issued.

Notes for formal verbal warnings will be recorded centrally on the MIS central system. This will be valid for the academic year in which they are issued

1.3 Formal Stage 2 - Written Warning

A student who consistently fails to meet the required standard will be interviewed by the Head of Department and a written warning issued. Parents will be encouraged to attend this meeting. The warning will include a summary of the standards not being achieved, the agreed actions and specify a time-scale (timescale to be no more than 4 weeks) within which these improvements should be made. A follow up monitoring and review meeting should be arranged.

A letter summarising these arrangements will be sent to the student, the student's parents/carers and/or employers (where applicable).

A copy of the written warning will be placed on the student's file and will be recorded centrally on the MIS central system. This will be valid for the duration of time the student attends Bucks UTC.

1.4 Formal Stage 3 - Final Written Warning

A student who continues to fail to meet the required standard will be interviewed by the Head of Department who will issue a final written warning. Parents will be

encouraged to attend this meeting. The warning will include a summary of the standards not being achieved, the agreed actions and the timescale in which these improvements should be made (timescale to be no more than 4 weeks). Students should be reminded at the meeting that failure to achieve the improvements may lead to unsuccessful completion of the course.

A letter summarising these arrangements will be sent to the student, the student's parents/carers and/or employers (where applicable).

A copy of the final written warning will be recorded centrally on the MIS central system. This will be valid for the duration of time the student attends Bucks UTC.

1.5 Formal Stage 4 – Fixed Term Exclusion

Bucks UTC will take the decision to sanction fixed term exclusion for a specific period if:

- there has been a serious breach of the Behaviour Policy
- allowing the student to remain in the UTC would seriously harm the education or welfare of the students or of others in the UTC.

In most cases a range of alternative strategies (see 1.1 to 1.4) should also have been tried. Only the Principal has the legal power to exclude a student, or the Assistant Principal acting in the Principal's absence, with the appropriate authority being granted. The maximum number of exclusion days in one academic year is 45 days.

If a student is issued with a fixed-period exclusion of more than 5 school days, the UTC must provide suitable education from the 6th day.

The Governing Board and the Local Authority must, without delay, be informed of:

- i) all permanent exclusions (including where a fixed-period exclusion is made permanent)
- ii) exclusions which will result in the pupils being excluded for more than 5 school days, or more than 10 lunchtimes, in any one term.
- iii) exclusions which will result in the pupil missing a public examination or national curriculum test.

Fixed-period exclusions totalling 5 or fewer school days, or 10 or fewer lunchtimes or half days, in any one term must be reported to the Governing Board and Local Authority once a term or as soon as is practicable.

For any type of exclusion, this procedure **must be** implemented in conjunction with and with due regard to the Department for Education guide on exclusion which can be found at:

<https://www.gov.uk/school-discipline-exclusions>

1.6 Rights and Appeals

A decision to exclude a student permanently shall be subject to a right of appeal to the Governing Board. Parents may appeal to an Independent Review Panel within 15 school days of receiving notification from the Governing Board of their decision to uphold a permanent exclusion.

Section 2 – Procedures for dealing with student misconduct

Bucks UTC has a set of values that it expects students, staff and visitors to adhere to at all times. These are:

- Exceeding expectations
- Can do attitude
- Mutual respect in all that we do
- Integrity, honesty and openness
- Goal driven one team approach

Student misconduct normally occurs when these values are ignored or disregarded. The UTC behaviour policy can be found at:

<http://www.buckinghamshireutc.co.uk/info/policies>

The student misconduct disciplinary procedures will be used when a student;

- Behaves in a way that disrupts any activity or antagonises other members of the UTC community
- Behaves in a way that disrupts the activity of an employer providing work opportunities, placement or apprenticeship training,
- Damages the property of the UTC, its staff, students or other users
- Behaves in an offensive manner towards other UTC users
- Is involved in instances of harassment, bullying (including cyber bullying or abuse)
- Commits an offence outside of the UTC such as fighting, bringing the establishment into disrepute
- Commits any criminal offence whilst attending the UTC, bringing the establishment into disrepute or for which a student is arrested and charged
- Drives without due care and attention whilst on UTC property
- Behaves in a way that compromises their and/or others safety
- Misuses or fails to produce a valid UTC ID card
- Fails to adhere to the UTC's Smoking Policy
- Alcohol or substance misuse on any premises or activities that come under the responsibility of Bucks UTC

2.1 Formal Stage 1 – Verbal Warning

A student whose conduct fails to meet the required standard will be reported to his/her course tutor who will discuss and agree the standards of conduct required. The student, the student's parents/carers and/or employers (where applicable) will be informed in writing that a verbal warning has been issued. At this stage the student will be reminded of the stages of the Student Disciplinary Procedures and possible consequences including possible exclusion from programme. A follow up monitoring and review meeting should be arranged

2.2 Formal Stage 2 – Written Warning

A student whose conduct consistently fails to meet the required standard will be interviewed by the Head of Department and a written warning given. The warning will specify the standards of conduct not being achieved with clear timescales for improvement (timescale to be no more than four weeks) within which improvements should be made. A follow up monitoring and review meeting should be arranged.

A letter summarising these arrangements will be sent to the student, the student's parents/carers and/or employers (where applicable).

A copy of the letter will be placed on the student's file and will be recorded centrally on the MIS central system. This warning will be valid for the duration of time the student attends Bucks UTC.

2.3 Formal Stage 3 – Final Written Warning

A student whose conduct continues to fail to meet the required standard will be interviewed by the Head of Department who will issue a final written warning. Parents/carers will be encouraged to attend this meeting. The warning will include a summary of standards not being achieved, the agreed actions and the timescale in which improvements should be made. The student should be reminded that failure to improve the required conduct may result in permanent exclusion from the UTC.

A letter summarising these arrangements will be sent to the student, the student's parents/carers and/or employers (where applicable).

A copy of the final written warning will be placed on the student's file and will be recorded centrally on the MIS central system. This warning will be valid for the duration of time that the student attends Bucks UTC.

2.4 Formal Stage 4 – Fixed Term Exclusion

Bucks UTC will take the decision to sanction fixed term exclusion for a specific period if:

- there has been a serious breach of the Behaviour Policy
- allowing the student to remain in the UTC would seriously harm the education or welfare of the students or of others in the UTC.

In most cases a range of alternative strategies (see 2.1 to 2.3) should also have been tried. Only the Principal has the legal power to exclude a student or the Assistant Principal acting in the Principal's absence, with the appropriate authority being granted. If a pupil receives 45 FTE in one school year, no further fixed-period exclusions can be issued. A permanent exclusion is NOT an automatic next step. A decision to issue a permanent exclusion following 45 days of fixed-period exclusions will have the same consideration and level of evidence as any other permanent exclusion.

Fixed term exclusions totalling five or fewer UTC days, or 10 or fewer lunchtimes or half days, in any one term must be reported to the Governing Board and Local Authority once per term or as soon as is practicable.

For any type of exclusion, this procedure **must be** implemented in conjunction with and with due regard to the Department for Education guide on exclusion which can be found at:

<https://www.gov.uk/school-discipline-exclusions>

2.5 Formal Stage 5 – Possible Permanent Exclusion

If following a final written warning the student's conduct fails to meet the required standard, he/she will be interviewed by the Assistant Principal. Prior to the interview, a letter will be sent to the student, the student's parents/carers and/or employer summarising the reasons for interview and encouraging them to attend this meeting. Following the interview the Assistant Principal may either extend the timescale for improvement or recommend to the Principal permanent exclusion. The student, the student's parents/carers and/or employers (where applicable) will be informed of the outcome of the interview in writing.

The Principal makes the decision to exclude a student permanently.

For any type of exclusion, this procedure **must be** implemented in conjunction with and with due regard to the Department for Education guide on exclusion which can be found at:

<https://www.gov.uk/school-discipline-exclusions>

2.5 Rights and Appeals

A decision to exclude a student permanently shall be subject to a right of appeal to the Governing Board. Parents may appeal to an Independent Review Panel within 15 school days of receiving notification from the Governing Board of their decision to uphold a permanent exclusion.

If parents/guardians wish to make representations to the Governing Body and wish to be accompanied by a friend or representative, they should contact the Clerk to the Governing Body, Bob Carvey at rcarvey@buckinghamshireutc.co.uk, parents/guardians will, whether they chose to make representations or not, be notified by the Clerk to the governing board of the time, date and location of the meeting.

2.7 Smoking/Vaping Policy

Any student caught smoking or vaping on UTC premises will have their name and ID number recorded by UTC reception. If a student is caught smoking on site three times (Strike 1, 2, 3) within an academic year, this will automatically result in the student being placed on the **Formal Stage 1 – Verbal Warning** of the Student Disciplinary Procedure. If, when challenged about smoking on site, any student resists the challenge or is verbally abusive to any member of the staff, this will result in an automatic **Formal Stage 2 – Written Warning**.

Smoking inside the UTC is strictly prohibited. Any student caught smoking or vaping in UTC premises will result in instant disciplinary action under section 3 of this policy.

Section 3: Procedures for dealing with serious and/or single acts of student misconduct

Serious misconduct includes but not exhaustive;

- Violence to students, staff or visitors
- Theft of property
- Vandalism
- Threats to students, staff or visitors
- Racial or sexual harassment
- Discrimination of any form,
- Bullying or harassment (including cyber-bullying)
- Possession of drugs or weapons,
- Alcohol or substance misuse on any premises or activities that come under the responsibility of Bucks UTC
- Acts of behaviour that could endanger the health and safety of others
- Similar offences that take place outside of Bucks UTC, bringing the establishment into disrepute or for which a student is arrested and charged

3.1 Fixed Term Exclusion: Misconduct in the UTC

For single serious acts of misconduct in the UTC a student will be issued immediately with a fixed term exclusion by the Principal, pending an investigation.

The investigation will normally be undertaken by a senior manager who will interview all relevant parties. As part of the formal investigation, the Designated Safeguarding Lead (DSL) must be informed to ensure additional student support needs are considered. The student's parents/carers) and/or employers (where applicable) will be informed.

At the time of the fixed term exclusion the student will have their ID card withdrawn/blocked and be told not to return to the UTC until the fixed term exclusion is lifted, unless they are required to do so as part of the investigation.

The Principal will inform the Head of Department/Course Tutor of the disciplinary action taken. The Principal will also inform Reception/Security, MIS, DSL and the Learning Centre who will temporarily suspend the student's IT access and membership of the Learning Centre. At the same time, the student will be told that their Head of Department will ensure they receive UTC work to complete at home during their fixed term exclusion.

Whilst under fixed term exclusion, the student will be treated as a UTC visitor and when attending an interview will be requested to sign in as a visitor.

Following the outcome of the investigation, the student will be interviewed by the Assistant Principal. Following the interview the Assistant Principal may recommend a warning or permanent exclusion. The student, student's parents/carers who are encourage to attend this meeting will be notified of the outcome of the interview.

Students who are permanently excluded are not permitted access to the UTC as a visitor or to use the UTC's services.

If following the end of the fixed term exclusion and investigation the student is not permanently excluded, the Principal will inform the Head of Department, the course

tutor, Reception/Security, MIS, DSL and the Learning Centre. The student will regain all rights removed with his/her fixed term exclusion.

3.2 Fixed Term Exclusion – Misconduct resulting in police involvement

For serious acts of misconduct that take place, which result in arrest and charges being made, a student will be issued with a fixed term exclusion by the Principal, pending a risk assessment. The student's parents/carers and/or work placement (where applicable) will be informed. The risk assessment will be under-taken by a senior manager who will determine if there has been a breach of the behaviour policy, taking into account the health, safety and welfare of other students, staff and visitors is at risk by the return of the student. This should be carried out in liaison with the DSL. The student, student's parents/carers and/or employer (where applicable) will be informed of the findings of the risk assessment.

Alongside this, normal UTC procedures will apply for investigating an incident and determining the level of sanction.

At the time of fixed term exclusion the student will have their ID card withdrawn and be told not to return to the UTC until the fixed term exclusion is lifted, unless they are required to do so as part of the investigation.

Following the issuing of the fixed term exclusion by the Principal, the Principal will inform the Head of Department/Course Tutor of the disciplinary action taken. The Principal will also inform Reception/Security, MIS, DSL and the Learning Centre who will temporarily suspend the student's IT access and membership of the Learning Centre. At the same time, the student will be told that their Head of Department will ensure they receive UTC work to complete at home during their fixed term exclusion.

Whilst under fixed term exclusion, the student will be treated as a UTC visitor and when attending an interview will be requested to sign in as a visitor

3.3 Permanent Exclusion

If the outcome of the risk assessment is that the student has breached the behaviour policy and presents a tangible risk to others, the likely recommendation is permanent exclusion. The student will be interviewed by the Principal, who may confirm the recommendation to permanently exclude or issue a final written warning. The student, the student's parents/carers and/or employers (where applicable) will be informed of the outcome of the interview.

For any type of exclusion, this procedure **must be** implemented in conjunction with and with due regard to the Department for Education guide on exclusion which can be found at:

<https://www.gov.uk/school-discipline-exclusions>

Students who are permanently excluded are not permitted access to the UTC as a visitor or to use the UTC's services.

3.4 Rights and Appeals

A decision to exclude a student permanently shall be subject to a right of appeal to the Governing Board and the meeting will take place regardless of the parent/guardians decision to appeal.

If parents/guardians wish to make representations to the Governing Body and wish to be accompanied by a friend or representative, they should contact the Clerk to the Governing Body, Bob Carvey at rcarvey@buckinghamshireutc.co.uk Parents/guardians will, whether they chose to make representations or not, be notified by the Clerk to the governing body of the time, date and location of the meeting.

4. Associated Policies and Procedures

The Student Disciplinary Procedure 2017-18 should be read in conjunction with:

- School Behaviour Policy
- Safeguarding Policy, Procedure and Guidelines
- Equality and Diversity Policy
- Anti-bullying Policy
- Student Substance and Alcohol Misuse Policy
- Social Media Policy
- Acceptable use of Computing Facilities Policy

5. Equality and Diversity Monitoring

The implementation of the formal stages of the Student Disciplinary Procedure will be monitored with regard for equality and diversity. An annual report will be produced for monitoring by the Senior Management Team and the Governing Board.

UTC PROCEDURE - FIXED-PERIOD EXCLUSION

The smallest recordable exclusion is for ½ a day. Any amount less than this is still recorded as half a day.

Each lunch-time exclusion counts statistically as half a day.

If a pupil is receiving multiple fixed-period exclusions, alternative strategies should be considered. If a pupil receives 45 FTE in one school year, no further fixed-period exclusions can be issued. A permanent exclusion is NOT an automatic next step. A decision to issue a permanent exclusion following 45 days of fixed-period exclusions needs to have the same consideration and level of evidence as any other permanent exclusion.

If a pupil is issued with a fixed-period exclusion of more than 5 school days, the school must provide suitable education from the 6th day. Sending work home would not qualify as suitable education. This includes where a fixed-period exclusion is issued and, due to the extreme seriousness of the incident, this subsequently becomes a permanent exclusion. The LA will provide education from the 6th day of a permanent exclusion only so the school retains responsibility for any intervening days (i.e. from days 5 – 10 of a continuous period of exclusion even if a permanent exclusion is issued after the initial 5 day fixed-period exclusion).

Pupils cannot be sent home for health and safety reasons or to 'cool off'. Apart from illness, all instances of sending home must be treated as, and recorded as, an exclusion.

The Governing Board and the LA must, without delay, be informed of:

- i) all permanent exclusions (including where a fixed-period exclusion is made permanent).
- ii) exclusions which will result in the pupils being excluded for more than 5 school days, or more than 10 lunchtimes, in any one term.
- iii) exclusions which will result in the pupil missing a public examination or national curriculum test.

Notifications must include the reasons for the exclusion and the duration of any fixed-period exclusion.

Fixed-period exclusions totalling 5 or fewer school days, or 10 or fewer lunchtimes or half days, in any one term must be reported to the Governing Board and LA once a term or as soon as is practicable. However, the LA requests that they are notified promptly of ALL exclusions when they occur in order to monitor and support developing situations.

Headteacher decides to issue a fixed-period exclusion:

- (a) Headteacher to inform parents by telephone or face-to-face
- (b) Inform parents in writing using appropriate letter by the end of the afternoon session of the day the exclusion occurs – **Letters 1- 4**
 - Letter 1 – Fixed-period exclusion of 5 or fewer school days in one term and where a public

- examination is not missed and there is no consideration of a permanent exclusion. (*Parents' right to make representations*)
- Letter 1a - Fixed-period exclusion of 5 or fewer school days in one term where there is **consideration of a permanent exclusion**
 - Letter 2 - Lunchtime (half-day) exclusions totalling up to 5 days in one term. (*Parents' right to make representations*)
 - Letter 3 - 5½ -15 school days in one term (single exclusion or cumulative) or where a public examination is missed and there is no consideration of a permanent exclusion.. (*Meeting of Governing Board Committee no later than 50 school days if parents request it*)
 - Letter 3a - 5½ -15 school days in one term (single exclusion or cumulative) where there is **consideration of a permanent exclusion**
 - Letter 4 - 15½ - 45 school days in one term (single exclusion or cumulative) and there is no consideration of a permanent exclusion.. (*Governing Board Committee must meet no later than 15 school days whether or not parents request*)
 - Letter 4a - 15½ - 45 school days in one term (single exclusion or cumulative) where there is **consideration of a permanent exclusion**
- (c) Arrange for work to be sent for excluded pupil during days 1-5. Arrange suitable full-time education from day 6.
- (d) Send completed **Form X1** and **a copy of the letter to parents** to the Exclusions & Reintegration Team via exclusions@buckscc.gov.uk without delay.

Meeting of Governing Board Committee convened:

- (a) Clerk to Chair of Governing Board Committee sends **Letter 6** (inviting parents). This may be done by the school rather than the Clerk
- (b) LA representative may be invited (in the case of a maintained school or PRU) if school considers it appropriate.

Governing Board Committee consider Headteacher's action:

- (a) At conclusion, Clerk sends **Letter 8** without delay

UTC PROCEDURE - PERMANENT EXCLUSION

The Governing Board Committee and the LA must, without delay, be informed of:

- i) all permanent exclusions (including where a fixed-period exclusion is made permanent).
- ii) exclusions which will result in the pupil missing a public examination

Headteacher decides to exclude permanently:

- (a) Contact Exclusions & Reintegration Team on 01296 382835
- (b) Headteacher to inform parents by telephone or face-to-face
- (c) Inform parents in writing by the end of the afternoon session of the day the exclusion occurs using **Letter 5**
- (d) Arrange for work to be set for excluded pupil for days 1 - 5
- (e) If the permanent exclusion follows a 5-day fixed-period exclusion (i.e. a 'considering permanent' was issued), the school must provide suitable education for the first five days of the permanent exclusion. The LA will provide education from the 6th day of a permanent exclusion only.
- (f) Send completed **Form X1** and a copy of **Letter 5** to the Exclusions & Reintegration Team via exclusions@buckscc.gov.uk – **on the day of the PX**
- (g) Send a copy of **Letter 5** to the Headteacher, Pupil Referral Unit - **without delay**

Meeting of Governing Board Committee convened no later than 15 school days from notice of exclusion:

- (a) LA representative invited (liaise over date and time) in the case of a maintained school or PRU. A parent may invite a representative of the LA to attend a meeting of an Academy's Governing Board as an observer; that representative may only make representations with the Governing Board's consent.
- (b) Clerk to Chair of Governing Board Committee (or the school on their behalf) invites parents to meeting - **Letter 7**

Governing Board Committee considers Headteacher's action:

- (a) At conclusion of meeting Clerk sends **Letter 9** (if upheld) or **Letter 10** (if overturned) Confirms Headteacher's action or directs reinstatement. Letter 9 includes information on the parents' right to request an IRP. Copy to the Exclusions & Reintegration Team, 1st Floor, County Hall, Aylesbury HP20 1UZ.– without delay

Exclusions & Reintegration Team respond to actions of Headteacher/Governing Board :

- (a) If exclusion is upheld, the Team writes to parents advising them of how to request an Independent Review - copy to Headteacher and Chair of Governing Board.

If the Governing Board confirms the permanent exclusion, parents may appeal to an Independent Review Panel within 15 school days of receiving notification from the Governing Board of their decision to uphold a permanent exclusion. Where the notice is sent by first class post, it is treated as having been given on the second working day after it was posted.

Secondary aged

- (a) If appeal is unsuccessful, pupil permanently excluded. Pupil referred to Fair Access Board or placed by SEN.
- (b) Schools should ensure that they have sent relevant information regarding the pupil, including education achievements, special needs and associated risks to the Exclusions and Reintegration Team prior to the Pupil being discussed at the Fair Access Board.

Primary aged

- (a) If appeal is unsuccessful, pupil permanently excluded. Pupil placed via SEN route or by admissions. A Fair Access Board may be convened.
