This is an exceptional opportunity to become a Head of Department at Bucks UTC and lead our Computing department in order to support students to achieve the best possible outcomes. Students join the school in Year 10 or year 12 because they are passionate about following a specialism, one of which is Computing. Our employer links, industry-standard facilities and determined focus on purposeful pathways for young people mean that Bucks UTC is an excellent place to make a difference. You will be well-supported by a strong team of professionals who always go the 'extra mile' for our young people.

Buckinghamshire University Technical College is a unique school offering the very best of technical education with outstanding links to our specialist employer sponsors. Our UTC specialises in Computing and Building Studies with Health being introduced as a new specialism from September 2022. Our curriculum embraces the core subjects at Key Stage 4 coupled with an innovative focus on our specialisms which is then further developed into our Sixth Form.

This is a very happy and supportive environment, with great relationships throughout the school. We place an especially high value on the development of colleagues and have an extensive professional development programme. There are many opportunities for staff to work collaboratively across the school and our Trust (Merchant Taylors' Oxfordshire Academy Trust) and the successful candidate will be encouraged to take these where appropriate. All successful candidates will be subject to child protection vetting process along with all other relevant employment checks.
