Careers in Criminal Investigation

The World of Work

So you've watched a few true crime documentaries on Netflix over lockdown and fancy yourself a bit of a case cracker? Careers in criminology are an exceedingly popular and contemporary choice for those who enjoy an age old 'Whodunnit'. Recent shows such as The Staircase, Mindhunter, The Tinder Swindler, and more, have no doubt had an effect on pop culture's understanding and insight into criminology as well as making them utterly binge-worthy.

4 Jobs for Generation Carbon

The Future of Jobs

We all know that the climate crisis is one of the greatest potential disasters humanity has ever faced. There are many everyday things that we can all do to reduce our carbon footprint such as recycling, growing our own food and more. But what career can you follow to help make the world more sustainable for decades to come?

Doing Exams or Know Someone Who Is? Read This.

Personal Guidance

This time of year can mean different things to different people. For some students, it can be a time to prove yourself and to showcase everything you have worked hard for in the previous years. For others, it can be a time of unease in which they feel intense pressure. For parents, it can signify over-tired teens, burn out and overall tense family dynamics due to the pressure of exam season.

The saving grace - it will all soon be a distant memory for those that get to enjoy a long summer after months of hard work and effort.
